

Quality Policy Statement

As one of the UK's leading unified communications and business telecoms providers. Elite Group PLC can deliver an unrivalled product portfolio designed to increase productivity, cut costs and deliver an excellent return on investment.

Elite Group PLC is totally committed to meeting our customers' requirements and to continual improvement. We aim to give our customers bespoke solutions for their businesses which add real value and dramatically increase efficiency.

We are committed to establishing and reviewing the Quality Objectives of the company and communicating these to all members of our staff.

This policy will be fulfilled through the implementation of the Quality Management Systems required by BS EN ISO 9001.

I fully endorse the contents of the Quality Policy Statement. It is issued with my authority and adherence to the Quality Manual, Process Charts, Management Procedures and Staff Handbook are mandatory to all staff.
